

Exam Results 2026

We are proud to celebrate the achievements of our pupils in 2026.

This year, pupils at The Holden School achieved an impressive 100% success rate across all qualifications entered, with 26 qualifications achieved by pupils across Years 10, 11 and 12.

Students gained recognised qualifications in a range of subjects including English, Mathematics, Art, Home Cooking Skills, Sport and ASDAN Personal Progress. Several pupils achieved Merit and Distinction grades, reflecting excellent progress and commitment to their learning.

Our personalised curriculum enables every pupil to work towards accreditation pathways that match their individual strengths, needs and aspirations. The continued success of our vocational qualifications demonstrates our commitment to preparing young people for their next steps in education, employment and independent living.

We are incredibly proud of all our pupils and would like to thank our staff, families and wider community for their ongoing support in helping our young people achieve success. Congratulations to every student on their achievements this year.
